

Seniors Bill of Rights

Democrats of the House of Representatives will unwaveringly uphold the rights that we believe all seniors in this nation should hold.

- 1. The right to a financially secure retirement, including:**
 - a. A stable Social Security system
 - b. Safe retirement savings
 - c. A Secure pension
- 2. The right to quality, affordable health care that:**
 - a. Cuts waste, fraud and abuse – but not services – from Medicare
 - b. Covers the high cost of prescription drugs by closing the “donut hole”
- 3. The right to live with dignity, meaning:**
 - a. Making important decisions with family members not bureaucrats
 - b. Receiving appropriate long-term care
- 4. The right to protection from scams and fraud including:**
 - a. Credit card company abuses
 - b. Identity theft
 - c. Mortgage schemes
- 5. The right to a strong economy for future generations, that:**
 - a. Guarantees America’s place as a leader in the global economy
 - b. Reinvests in manufacturing and American-made goods
 - c. Trains students for the workforce of the future
 - d. Ensures there are job opportunities for all who want or need a job
- 6. The right to a safe and livable community, including**
 - a. Investments in community policing and protection
 - b. Rebuilt local infrastructure
- 7. The right to earned veteran benefits, including:**
 - a. Prompt processing of benefit claims
 - b. Strengthened VA medical system
